ADMISSIONS 2025 M.Sc. Biopolymer Science | M.Sc. Polymer Science (Recognised by CUSAT)

CIPET is a premier national institution under the aegis of the Ministry of Chemicals & Fertilizers, Govt. of India fully devoted to Skill Development. Technology Support Services. Academic and Research (STAR).

CIPET: IPT - KOCHI in collaboration with Cochin University of Science and Technology (CUSAT), offers the following academic professional courses.

CIPET: Institute of Petrochemicals Technology (IPT) - Kochi (formerly known as Centre for Biopolymer Science & Technology, CBPST) was established in the year 2012. CIPET: IPT-Kochi is ISO 9001:2015 certified and NABL & NABCB accredited institution. CIPET: IPT Kochi is having academic collaboration with Cochin University of Science and Technology (CUSAT) for PG courses. CIPET: IPT - Kochi is a model centre for academic programs in Biopolymer Science & Technology and will also focus on promoting bioplastics and allied industries. CIPET: IPT-Kochi is a recognized research centre of CUSAT. CIPET: IPT - Kochi also supporting entrepreneurs, start-ups and industries.

M.Sc. Biopolymer Science
(Four Semesters (2 Years)
Full Time Program)
M.Sc. Polymer Science
(Four Semesters (2 Years)
Full Time Program)

Students who are aspiring to pursue the above Masters programs should apply online at <https://admissions.cusat.ac.in/> for Common Admission Test (CAT 2025) conducted by CUSAT. The admission for the above courses is based on the CUSAT CAT 2025 rank.

Eligibility for M.Sc. programs:

B.Sc. in Chemistry, Polymer Science, Polymer Chemistry, Industrial Chemistry or any B.Sc. Degree with Chemistry as main/subsidiary one of the subjects.

NAAC Accredited

Students Secured Admission for PhD in Abroad Universities
