SECTION I. INSTRUCTIONS TO BIDDERS

A. Introduction

1

Central Institute of Petrochemicals Engineering & Technology (CIPET) (formerly known as Central Institute of Plastics Engineering & Technology (CIPET) was established in 1968 by Government of India with the assistance of United Nations Development Programme (UNDP) at Chennai. The main objective of setting up of this specialized institute was to develop manpower in different disciplines of Plastics Engineering & Technology as no similar institute was in existence in the country.

International Labour Organization (ILO) served as the executing agency. During the initial project period between 1968 and 1973, the institute achieved the targets envisaged and was rated as one of the most successful UNDP projects implemented worldwide.

Today CIPET is a premier Academic institution for higher & technical education under the Ministry of Chemicals & Fertilizers, Govt. of India fully devoted in all the domains of plastics viz:- Design, CAD/CAM/CAE, Tooling & Mould Manufacturing, Production Engineering, Testing and Quality Assurance. CIPET operates from various locations spread across the country to cater the needs of the Polymer and allied industries..

CIPET Centre at Aurangabad was established in 2006 by the Govt of India with the support of the Govt of Maharashtra in order to cater the needs of polymer & allied industries of this region through development of technical trained manpower as well as by providing technical support services to the industries of the region.

Institute is spread in an area of 8.5 acres & Hostel building in adjoining 2.00 acres land with all the infrastructure facilities.
